

## Compleat Move<sup>sm</sup> Seminar

***By-invitation-only***

Join us for a special seminar – and an intimate discussion among business owners and/or the project leaders who are planning a business relocation. This event is designed for those who cannot risk the “nightmare move” that results in business disruption and unanticipated expense. Based on our considerable experience we know this: *It’s Your Move...* and the time is now to plan for the most successful one because it is more complex than you realize.

When you attend our one-hour luncheon seminar you will:

- Discover the most costly mistakes companies make before, during and after a move – and tips to avoid them.
- Learn how to plan and implement even the most complex relocation to minimize business interruption and downtime.
- Hear from a satisfied client, Tree House Food, how the **Compleat Move<sup>sm</sup>** helped them save time and money, contain risk, and fast-start operations in their new location.

We offer two locations for your convenience.

Business Office Systems  
740 Hilltop Drive  
Itasca, IL 60143-1326

Business Office Systems - Downtown  
444 N. Orleans Street, Suite 200
