

## News Update

### **Tom Mizwicki Elected to CTF Board of Directors**

This spring, Tom Mizwicki, Vice President of Medlin Communications, Inc., became a member Of the Board of Directors for The Communication Technologies Forum (CTF), a division of the Electric Association. CTF was established in 2000 to serve the growing telecommunication segment of the electrical industry in Chicago.

Tom will help CTF make progress on key objectives that include developing educational seminars and workshops, keeping members informed about the latest technology, and working with other affiliated groups and agencies to develop better standards and regulations. The CTF membership spans over 325 manufacturers, agents, distributors, engineers, contractors, and service providers..
